

SERENGETI-PARK DEPARTMENT OF RESEARCH (SPDR)
RESEARCH PROPOSAL FORM

Upon completing and signing the Research Proposal Form, please return to i.azogu@serengeti-park.de

Title of Project:

Principal Investigator: Student Project Supervisor Researcher

Name & Title:

Institution:

Institution Address:

Phone number and email address:

Co-investigator: Student Project Supervisor Researcher

Name & Title:

Institution:

Institution Address:

Phone number and email address:

Co-investigator: Student Project Supervisor Researcher

Name & Title:

Institution:

Institution Address:

Phone number and email address:

Degree course (if applicable):

Project category: (please check all that apply)

- Stress management (e.g. physiology and endocrine response)
- Behavior typical of the species (e.g. social learning and social structure)
- Cognitive research (e.g. enrichment and training)
- Parasitology (e.g. parasite-host interactions)
- Population biology and management (e.g. reproduction and genetics, ecology, nutrition)
- Social science (e.g. conservation psychology, conservation physiology)
- Other, please explain:

Project Outline (please state in lay terms)

Rationale:

Hypotheses and predictions:

Achievable goals and objectives:

Methodology (please include DETAILS of your methods, list any procedures involved, how each individual activity will be implemented and how the results of the project will be evaluated; if necessary, use extra sheet):

What is the impact of the research? (Describe how the results of the research project will go beyond academia. E.g. how will it benefit society, the environment, animal welfare, captive management of the species or conservation efforts, and/or become sustainable long term?)

Literature cited (must provide full citations for all references listed within the text of the project outline):

Does the research have the support of an EEP or group such as the EAZA Research Committee? Yes No
If yes, please provide evidence or letter of support:

Has ethical approval been obtained from an Institutional Ethical Review Process? Yes No
If yes, please provide details, including date and approval number:

<p>Will this research work lead to publications? <input type="checkbox"/> Yes <input type="checkbox"/> No <i>If yes, which journals are you aiming towards?</i></p>			
<p>Project timeline Proposed Start date: _____ Proposed End date: _____</p> <p><i>List major activities addressed in the project outline, and if applicable, the date each activity starts and ends. In addition, state whether the proposed activity is part of a larger project and whether this project is already underway.</i></p>			
<p>Equipment required from the Serengeti-Park Department of Research:</p> <p>Facilities (include access to Serengeti Park Hodenhagen GmbH):</p>			
<p>Please provide the name, title and contact details of at least one referee:</p>			
<p>Name of applicant:</p> <p>Institutional address:</p> <p>Phone number: _____ Email address: _____</p>			
<p>By completing and signing the declaration on the Research Proposal Form, I agree to comply with the Serengeti-Park Department of Research (SPDR)'s Research Policy and to provide one hard copy and/or one electronic copy of my final report and of all publications resulting from my research at the Serengeti-Park Hodenhagen GmbH. I agree that the SPDR stores these reports in its research database and library in accordance with its Data Protection Policy.</p> <p>Signed: _____ Date submitted: _____</p> <p>Signed Supervisor or Researcher: _____ Name of Supervisor or Researcher: _____</p>			

Please email this application to: i.azogu@serengeti-park.de **AND/OR** send a hardcopy to:

Dr. Idu Azogu-Sepe, Serengeti-Park Department of Research, Serengeti-Park Hodenhagen GmbH, AM SafariPark 1, 29693, Hodenhagen, Germany.

To be completed by Serengeti-Park Department of Research:
